Chairman's Message

Er. Eshwar Khandre,
MLA & President

However, in fast sprinkling world of today where the science and technology reign supreme, day to day implication of new technology created by engineering is meaningful for society and sensitive to

societal concerns. Now-a-days technical knowledge plays very vital and important part in our education system. It makes all the difference in outlook. I wish it helps all of the learners to acquire better knowledge and enhance their view of judgment

Look at the sky, we are not alone. The whole universe is friendly to us and conspires only to give the best to those who dream and work.

A.P.J. Abdul Kalam

Principal's Message

We are extremely happy to bring out our college newsletter Volume 09, Issue-I. Challenges and Opportunities are two sides of the same coin. Modern education, curriculum development and teaching methodologies have

to keep pace with the demand of the economic environment. The manager, businessman and the entrepreneur of today need many more weapons in armory. Holistic education should include all round development of a student.

Overall development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the student of today for the challenges of life. This will require tremendous self-motivation on the part of all concerned but will be fulfilling for the student as well as the faculty.

The magazine is presenting a glimpse of the growth of the institution on many fronts. This magazine has recorded achievements such as: conferences, workshop, faculty development programme, seminars conducted and attended by staff members and students. This newsletter highlighted the students' achievements as Students Participated in various competitions and events in regional level, state level and national level and won in many events. BKIT Research and development centre enables the

students and staff to take up Innovative projects with help of management, Karnataka Govt. & Vision Group of Science and Technology (VGST), KCST and other government funding agencies.

We look forward to receiving many more issue of newsletter that give us information and interesting articles so that we can enrich our knowledge.

Reading this magazine would definitely be an inspiration and motivation for all students and staff to contribute even more to the forthcoming issues. We hope that everyone would continue to give their full efforts to keep the momentum and continue to enhance the standards of the newsletter.

With warm regards,
Dr.B.B.Lal

Editor Message

I am immensely honoured to write as an editor of the second issue of the College Newsletter. This issue covers all the major events, workshops, conferences conducted in the College and research and development activities. As a faculty, I feel delighted to see the faculties and students participating in different events and deliver their best. One more important aspect of this newsletter is being in electronic form, there is no damage to environment and is eco friendly.

My gratitude to our Principal Dr. B.B.Lal for giving a free hand in the publication of this newsletter. I thank all the people who have helped me in finding the resources, compiling them and presenting them. We welcome your valuable comments and suggestions which may be mailed to bkitnewsletter@gmail.com.

With warm regards

Second National Conference on Recent Innovation in Engineering and Technology -NCRIET-2015

is a second installment of National Conference on Recent Innovations in Engineering and Technology, held on 7th and 8th November 2015. NCRIET-2015 was organized by Electronics and Communication Engineering Department. NCRIET-2015 offered a track of quality R&D updates from Students, Engineers, Researchers and Scientists to provide an opportunity in bringing the new technology and perspectives that will contribute to Electronics and Communication Engineering, Mechanical Engineering, Computer Science Engineering and Civil Engineering in the next few years.

Dignitaries on The dais during the inaugural ceremony of the National Conference NCREIT-2015

NCRIET-2015 received 250 papers from all over the country and out of which 160 papers were accepted for presentation and publication. The conference was associated with Indian Journal of Scientific Research (IJSR) and International Journal on Emerging Technologies (IJET). All registered papers were published with online & print version of ISSN in respective

journals and presented papers were published with ISBN in CD format.

The conference received very good response from authors giving 90% of attendance during the conference. Doctorate, academicians, research scholars, UG/PG students attended the conference. Experts from different colleges and universities along with college faculties chaired and co-chaired the sessions. Dr. T. S. Vishwanath acted as a chief organizing secretary and Dr. B. Suryakanth & Prof. Prashant Sangulagi acted as an organizing secretary for the conference.

Three days National Level Workshop on “Earthquake Resistant Practices in Civil Engineering” (ERPCE-2105)

, organized by department of civil engineering and sponsored by Ministry of Earth Sciences (MoES), Govt. of India at Bheemanna Khandre Institute of Technology, Bhalki.

The workshop was inaugurated on 09th March 2015 by Dr. S. M. Azam, Principal K.B.N college of Engineering Gulbarga, in which 56 faculties from Karnataka, Maharashtra and Andhra Pradesh participated.

Prof. S.V. Biradar and Prof. Md Khaja Moniuddin Welcoming Dr. Chethan K and Dr. L. Govindaraju

Dr. Basawaraj Gadgay, Special officer, VTU regional centre, Gulbarga addressed the participants on valedictory function. In his speech Dr. Basawaraj Gadgay encouraged the participants for use of earthquake resistant practices in design field, appreciated the organizing secretary Prof. Md Khaja Moniuddin for putting his effort in sanctioning the fund from MoES and successfully organizing the workshop. He motivated the staff member of Bheemanna Khandre Institute of Technology, Bhalki to effort for getting funds from Ministry of Human Resource Development (MHRD) for Research & Development activities.

During these three days workshop eminent scholar from the field of Earthquake Engineering like Dr. L. Govindarajau, Dr. Chethan K, Dr. S. M. Azam, Dr. Arun Kumar, Prof. S.V. Biradar and Prof. Md Khaja Moniuddin delivered talk on resistant practices to be followed in civil engineering and the precautionary measures to be taken to have an earthquake resistant structure. Participants were enlightened with the

case study on damaged structure during Killari 1993 and Bhuj 2006 earthquake.

Department of Computer Science Engineering organized three days National Workshop on “E-Commerce”

during 30th Oct to 1st Nov 2015. Chief Guest Mr. Nagaraj C. BEO of Bhalki addressed the gathering by giving brief about use of basics of computer knowledge among school teachers Prof. P.N Divakar Vice Principal BKIT inaugurated the workshop and in his presidential address said about the importance of computer knowledge. Guest of Honor Dr. Sanjay Gowre Head Research and Development Center BKIT Bhalki and Organizing Secretaries, Prof Rajkumar B Patil and Prof. Vinayak Biradar of Department of Computer Science Engineering and participants from different schools and colleges were present.

The valedictory function was presided over by Prof. P.N Divakar, Vice Principal, BKIT and participation certificate were distributed to the participants.

Short Term Training Programme (STTP):

Department of Computer Science Engineering organized Ten Days Short Term Training Programme (STTP) on “Computer Basics & MS-Office” during 8th Dec 2015 to 17th Dec-2015. Prof. P.N Divakar, Vice Principal, BKIT presided over the function and address to the gathering. Mr. Nagaraj C. BEO Bhalki, Chief Guest. Dr. A. M. Bhavikatti, HOD of CSE, Guest of Honor Dr. Ashok Koti HOD Allied Science & Humanities Dept, Organizing Secretaries Prof. Vishal More

The occasion was graced by more than 220 Alumni and their family members ranging across various batches from various parts of the country and outside the country as well. Speaking on the occasion, the Chief Guest underlined and praised the founder president Dr. Bheemanna Khandre and Er. Eshwar Khandre Chairman of BKIT, Bhalki for their contributions in developing the college and achievements of the college in all walks/spheres of life. The president of the function Er.Eshwar Khandre said that it was a matter of great pride for BKIT that its Alumni are holding positions of responsibility in various Government organizations, PSUs, Private sector,

Academic Institutions. Many of them are successful entrepreneurs providing jobs to others as well. He praised their contribution towards the growth of their Alma Mater and emphasized the need for further strengthening the linkage between the Alumni and BKIT, Bhalki and current students.

The Inaugural session was also attended by HODs, faculty and staff members of BKIT. The principal, Dr.B.B.Lal highlighted the achievements of BKIT and called for greater Alumni Participation. The foundation stone was laid for the “Alumni Bhavan” proposed at a cost of Rs.90 lakh

The Secretary of Alumni association, ALUMNUS, Prof. Sanjeev Gogga welcomed the alumni and their family. The President of the Alumni Association Prof. Dhiraj Deshpande presented the report of the activities undertaken by the association since last Alumni Meet in 2011. Many new chapters are functioning across the Globe and these bodies hold their own get together as well.

Dr.T.S.Vishwanath and ESSA Members Honoring to Dr.Nagashettappa Biradar

He also outlined many future activities to be taken up by the Association. The gathering was also addressed by other guests who were Shri. Rajesh Patil of digital transformer Capgemini,, Shri G.K patil of Rock well Collins, Shri. Shiva Kudte of Biopharmax India Pvt.Ltd, Er. Jayashanker Ghale, industrialist, and Nuli Namassivaya.

Five Days National Level workshop on “AUTODESK- BUILDING INFORMATION MODELING”, during March 1st-5th , 2016 was organized by Department of Civil Engineering led by Prof. Sri Nagraj Bacha, and Prof. D. K. Khanna, as Organizing Secretaries. Faculties and students from various Colleges attended the workshop actively. Resource person Sri Prashanth Hugar, Auto Desk Certified trainer from M/s Proto Space Pvt. Ltd., Bangalore. highlighted the applications of 3D building information modellings using RIVIT Architecture Tool.

Doctorate Awarded

Dr. Nagashettappa Biradar, Associate Professor, Department of Electronics and Communication Engineering was awarded Ph.D. degree from Department of Electrical Engineering, Indian Institute of Technology Roorkee, Uttrakhand on 12th December 2015. He had worked under the supervision of Dr. M. L. Dewal, Professor, EED, IITR and Dr. Manoj Kumar Rohit, Professor, Department of Cardiology, PGIMER, Chandigarh. The title of his research is “Denoising and Segmentation of Echocardiographic Images in Multiple Views”.

He was sponsored by BKIT, Bhalki to pursue research at IITR.

The objectives of his research were Denoising, Enhancement and Segmentation of Transthoracic Echocardiographic images acquired from patients diagnosed with aortic regurgitation.

The findings of his research have been published various Elsevier, Springer and Hindawi Journals indexed in PubMed, Web of Science, Scopus, Google Scholar and others. He has proposed new despeckling methods for noise reduction and segmentation methods for automatic delineation of multiview and multi-modality echocardiographic images. The outcome of Dr.Nagashettappa Biradar’s research is comparative analysis of 48 despeckling filters, and segmentation of echo cardiographic images in the presence of intensity inhomogeneity.

IETE Sub-Centre Gulbarga

The faculty members of the institute were motivated to engage in research activities and kept on interacting with various professional bodies and academic Institutions. At this point, faculties of this institute were nominated and elected for Institute of Electronics and Telecommunication Engineers (IETE) council under IETE Sub-Centre Gulbarga for the position of chairman and secretary.

We congratulate Dr. A. M. Bhavikatti, Head of department of Computer Science Engineering of the institute for being elected as Chairman, IETE Sub-Centre Gulbarga and Dr. Sanjay Gowre, Head of Research and Development Centre of the

institute for being elected as Secretary, IETE Sub-Centre Gulbarga.

We are also glad to congratulate Prof. Dhiraj Despande of department of Electronics and Communication Engineering and Prof. Rajkumar Patil department of Computer Science Engineering for being elected as executive member, IETE Sub-Centre Gulbarga.

Achievements and Awards

Technical Events: Congratulations to Mr. Rajesh of 8th Semester from Department of Electronics and Communication Engineering for gearing up the Second place and Winner in quiz and brain freez event in Techovision-2016, during 21st and 22nd March, held at Govt. College of Engg. Jalagaon. Maharashtra.

Also Congratulations to Mr. Prasanth K. of 8th Semester from Department of Electronics and Communication Engineering for gearing the runner up position in National Technical and cultural fest event E-Quiz-7 and BRAIN Freez-7 respectively, held at Guru Nanak Dev Engineering College, Bidar, Karnataka and Best paper presentation certification at Techovision-2016, Technical paper presentation contest during 21st and 22nd March, held at Govt. College of Engg. Jalagaon. Maharashtra.

TCS & BITES zonal level Quiz Award: Mr. Ashay verma and Mr. Pavan Poola - final year CSE and ISE Students won Second Prize in Gulbarga Regional Quiz Competition conducted at Appa Institute of Engineering. & Technology, Kalaburagi on 26th March 2015, organized by Tata consultancy services (TCS) and the Board

for IT Education Standards (BITES) - an autonomous agency promoted by Karnataka State Govt. in Association with IT industries, for engineering students in Karnataka. They won education scholarship of rupees 8000/-.

TCS & BITES Regional level Quiz Award

Mr. Ankit B and Mr. Sagar J - second year CSE Students won first Prize in Gulbarga zonal Quiz Competition conducted at Appa Institute of Engineering. & Technology, Kalaburagi on 11th March 2016, organized by Tata consultancy services (TCS) and the Board for IT Education Standards (BITES) - an autonomous agency promoted by Karnataka State Govt. in Association with IT industries, for engineering students in Karnataka. They won education scholarship of rupees 12000/- trophy and consolation prize.

Sports and Games: T20 Cricket Championship:

We are proud to congratulate sports and games department of the college for preparing excellent student cricket team for boys. This team worked hard and qualified for the
